

Dylos Corporation

Air Quality Monitoring Innovation

January 9, 2017

To Whom It May Concern,

Dylos Corporation recognizes Fresh Air Solutions B.V. in Vught, The Netherlands as the Exclusive Distributor for our Air Quality Monitors. We are happy to announce that Fresh Air Solutions B.V. sales areas has been extended to include Belgium and Luxembourg also known as Benelux. This new extension of sales territory will expire December 31, 2017 and is up for renewal at that time.

Any individual or company interested in purchasing any products from Dylos Corporation in the Benelux area (The Netherlands, Belgium & Luxembourg) should contact Fresh Air Solutions B.V. directly for pricing.

Thank you,

Kimberly Unger
Vice President
